Important Notes

Important Notes

- **KEY DATES:**
- 10/10/2026: Submit the Presentation Slides to the LMS
- 14/11/2026: Announce the Continuous Assessment Results
- 14/11/2026: Submit the Final Course Project to the LMS.

Important Notes

- **Presentation Slide Guidelines:**
- **First Slide**: Include all the information shown in the template
- **Second Slide**: Outline of the Presentation
- **Final Slide**: Task Allocation Among Group Members
- **All slides must be numbered**
- **Minimum font size**: 24 pt
- **Minimum number of slides**: 15.

Môn học: HỆ HỖ TRỢ QUYẾT ĐỊNH

Đề tài: A clinical decision support system for breast cancer treatment

Học viên: Phan Thùy Dương - Lâm Ngọc Ẩn

Ngày trình bày: 15/3/2025

Template

Vietnam National University HCMC

University of Information Technology

MASTER'S PROGRAM IN INFORMATION SYSTEMS

Course: DECISION SUPPORT SYSTEMS

Topic: A clinical decision support system for breast cancer treatment

Master's Students: Phan Thùy Dương - Lâm Ngọc Ẩn

Presentation Date: 15/3/2025

Important Notes

❖ Research Paper Analysis Project (Final Course Project):

Research Paper → Understand → Analyze → Evaluate → Extend → Apply

- **Understand** – Understand the research problem, objectives, and contributions of the paper
- **Analyze** – Analyze the methods, models, algorithms, data, and results presented in the paper
- **Evaluate** – Evaluate the strengths, limitations, and value of the research
- **Extend** – Propose directions for extending and further developing the research
- **Apply** – Propose potential real-world applications or applications in other contexts.

Important Notes

❖ Guidelines for Structuring the Final Course Project:

1) **Cover Page**: Follow the template
2) **Preface**
3) **Table of Contents**
4) **List of Figures**
5) **List of Tables**
6) **List of Abbreviations**: Three columns — Abbreviation, English, Vietnamese

Abbreviation	English	Vietnamese
DSS	Decision Support System	Hệ hỗ trợ ra quyết định
DBMS	Database Management System	Hệ quản trị cơ sở dữ liệu
AI	Artificial Intelligence	Trí tuệ nhân tạo

Important Notes

❖ Guidelines for Structuring the Final Course Project:

7) **Required Chapters (Minimum):**
   1. Introduction
   2. Research Methodology
   3. Experiments and Results
   4. Conclusion and Future Directions
8) **References.**

Important Notes

❖ Course Paper Formatting Guidelines:

1) **Paper Size**: A4
2) **Font**: Times New Roman
3) **Margins**: 1 inch (2.54 cm) on all sides
4) **Paragraph Spacing**: 6 pt before and after
5) **Line Spacing**: Multiple, 1.2
6) **Page Border**: Apply a border to all pages
7) **Page Header**: Include a header on each page
8) **Page Numbers**: Insert page numbers.

Criteria for Selecting a Research Paper

- **The paper must be within the Decision Support Systems (DSS) knowledge area**
- **Published within the last five years**
- **The paper must be published in a reputable journal:**
  - **ISI (Institute for Scientific Information) or WoS (https://mjl.clarivate.com)**
  - **Scopus (https://wwwscopus.com)**
- **Check the journal ranking using SCImago Journal Rankings (SJR) (https://www.scimagojr.com).**

The End.
